<p>REMARKS OR ADDITIONAL ROUTING</p> <p>The attached table was prepared by the EC nine's embassies in Buenos Aires. Security operations continue to affect EC-9 nationals and the GOA has been less than cooperative in these cases. (e.g. the recent Videla to Giscard letter suggested that if the French would limit the actions of a montonero leader in France, it would facilitate Videla's efforts in finding the nuns.)</p> <p>We now await the EC demarche--an important step.</p> <p><i>[Handwritten signatures and initials over the text]</i></p>
